DEARBORN TOWN CENTER DEARBORN, MI

A new \$80 million dollar renovation of the former Montgomery Ward property into a 160,000 SF mixed-use office building affiliated with Oakwood Healthcare Systems.

The facility houses an enhanced community outreach and education program.

The property includes 100 senior living apartments, retail shops, a 24/7 urgent care center, a restaurant, free senior services including hearing screenings, blood pressure checks, health and nutrition materials and more, and occupational medicine services.
