## FAIRFAX HIGH SCHOOL—RENEWAL FAIRFAX, VA

The complete renewal and addition to a circa 1972 existing high school. The total building was 395,000 square feet with 85,000 square feet of additions.

The renewal includes upgrades to the HVAC and electrical systems, ADA improvements and space plan improvements. Repairs and replacements to the site structures, such as the baseball field press box, and the football stadium bleachers and press box were performed.
